 June 18-25, 2020  
*(Best of all, it's free thanks to your local electric cooperative!)*

# TEENS:

## Head to D.C. This Summer for **FREE!**

Attention all area high school students and whose parents or guardians are members of Codington-Clark Electric Cooperative: Here is your chance of a lifetime to experience an all-expenses-paid trip to Washington, D.C., June 18-25.

What makes electric cooperatives different from other utilities is that "giving something back to the community" is part of their business plan. Why do electric cooperatives bring high school students to Washington? Because it is important to learn about the political process to interact with your government. The student who wins this trip will walk away from this week as a better leader and a sense that they can make a difference.

The Rural Electric Youth Tour has brought high school students to Washington, D.C., every June since the late 1950s. Students compete for slots for this unique opportunity and are selected for this program by their local electric cooperative.

The featured speakers during National Youth Day provide insight to the important roles electric cooperatives play in their community. Students gain a personal understanding of American history and their role as a citizen by meeting their representative and senators and explore the sights around the nation's capitol.

During the trip, you'll see tons of sites, meet teens from across the country and gain perspective on community and cooperatives.

### If you want to be part of the fun...

Complete the Rural Electric Youth Tour to Washington, D.C., application form on the back of this sheet and submit the completed application to Codington-Clark Electric Cooperative before the March 16, 2020, deadline.

### How the Participant is Chosen...

Codington-Clark Electric Cooperative's Selection Committee will review and evaluate all applications received. Students may be asked to participate in an interview. The committee will select one student to represent Codington-Clark Electric Cooperative at this year's event.
